

R. T. IS TRYING
TO APPEASE THE WRATH
OF OUTRAGED PATRONS

Traffic Officials Ask Association to Confer on Plans for Relief.

brought to terms at last by The Evening World's campaign and the determined attacks of Brooklyn citizens, the B. R. T. has opened negotiations with its packed and suffering patrons. It is endeavoring to appease some of the wrath that has been prepared for it next Monday at a public hearing which the friendly Public Service Commission has been urged to call.

Notices have been sent out by suburban traffic officials to eleven auto associations in the southern section of Brooklyn, headed by the Brooklyn Board of Trade and Knights Taxpayers' Association, to and representatives to an informal conference to be held Friday night at 8 o'clock in the car barns at Ninth Avenue and Twentieth street.

Proposed have been made by traffic officials that they are desirous of doing all in their power to improve traffic conditions and "to make things right."

All the associations have appointed committees to attend. Henry Ward Beer, attorney for the associations, will preside. Grievances will be stated and specific demands made for better facilities to end the outrageous conditions that have existed on the main roads for which the Ninth Avenue barns are headquarters.

"This meeting will in no way interfere with preparations made for the Public Service Commission hearing Monday," said Mr. Beer. "Our associations will reserve their Krupp guns for that session. I am informed that strong delegations from other sections of the city will join us in that attack."

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take
Olive Tablets.

If your skin is yellow—complexion pallid—tears coated—appetite poor—you have had a taste in your mouth—a tay, no good tasting—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for emollient—water prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards' Olive Tablets act on the blood vessels—like calomel—but have no dangerous after effects.

They start the bill and overcome constipation. That's why millions of doses are sold daily at 10c and 25c per box. All dangers.

Take one or two nightly and note the pleasing results.

The Olive Tablet Company, Columbus, Ohio.
